Very close to winning crop. Slightly more wild oats present than winner but good potential.

3rd T.R.W Steele

Clean, but suffered from a wide range of soil types

4th Hatton Farms Ltd

Clean crop.

Oats

1st Hatton Farms Ltd

Nice to see a winter crop clean of grassweeds and disease, Yield potential greater than the spring entries.

2nd C.D. Harrison and Sons

Clean even crop, best of all the spring sown crops

3rd D.P Whitfield and Son

Slightly let down by the variation in soil types which nothing can be done about.

4th A.W.G Grimes and Son

Soil type variation was probably the factor here.
